### CML LAUNCHES NEW WEBSITE

November 21, 2008, Denver, CO— The Colorado Municipal League (CML) recently launched a newly designed website at [www.cml.org](http://www.cml.org).

Using an enhanced navigation index, visitors can now easily find content relating to the three core areas of CML – advocacy, information and training.

Valuable municipal information can be found on the site. Once the 2009 Colorado general assembly begins, visitors will be able to find up-to-date information on the issues that affect Colorado's cities and towns. Users can also view and purchase CML publications, register for training opportunities and view contact information and links to member municipalities.

**Attention Media:** The website features a "Media Room" which contains press releases, FAQs and other valuable CML information.

CML is a nonprofit, nonpartisan organization established in 1923 and represents the interests of 263 cities and towns. For more information on the Colorado Municipal League, please visit [www.cml.org](http://www.cml.org) or call 303-831-6411.
