

COLORADO
MUNICIPAL
LEAGUE

Associate Membership APPLICATION

A letter from CML's Executive Director

The Colorado Municipal League's (CML's) associate membership program provides organizations the opportunity to interact directly with municipal officials. It is a cost-effective and efficient way to connect to Colorado cities and towns and the officials who lead them.

Associate members have ongoing opportunities to get their organizations' names in front of these influential decision makers. Members receive valuable benefits, including discounts on advertising, publications, and event registrations; access to CML's periodicals; listing in the online membership directory; the chance to share information with municipalities via the CML Newsletter and speaking engagements; as well as other unique opportunities.

Additionally, whenever possible, CML strives to utilize the expertise of associate members when educating municipal officials during events and webinars.

Through associate membership, your organization will be identified as a true supporter and champion of municipal government and its efforts.

Sincerely,

Kevin Bommer
CML Executive Director
