It is the intent of this ordinance to provide the necessary organization, powers, and authority to enable the timely and effective use of all available Town resources to prepare for, respond to, and recover from the declared local public health emergency. This ordinance is intended to grant as broad a power as is permitted within the letter and spirit of the Town Charter and the Council-Manager form of government, and this ordinance shall be interpreted in accordance with such intent. The Town Council retains the power to direct the
Town Manager during the pendency of the current coronavirus (COVID-19) public health emergency.

Section 3. Public Health Emergency Declared. The Town Council hereby declares that a public health emergency relating to the coronavirus (COVID-19) exists within the Town. (i) utilize all available resources of the Town as may be reasonably necessary to cope
with this public health emergency whether in preparation for, response to, or recovery from this
public health emergency.

(j) suspend or modify the provisions of any ordinance if strict compliance with such
ordinance would in any way prevent, hinder or delay necessary action in coping with this public
health emergency.

(k) accept services, gifts, grants and loans, equipment, supplies, and materials whether
from private, nonprofit or governmental sources.

(l) make application for local, state or federal assistance.

(m) terminate or suspend any process, operation, machine, device or event that is or
may negatively impact the health, safety and welfare of persons or property within the Town.

(n) delegate authority to such Town officials as the Town Manager determines
reasonably necessary or expedient.

(o) limit the use of any Town-owned building, facility, or property as to time, manner,

(q) exercise such powers and functions in light of the exigencies of this public health
emergency, including, but not limited to, the waiving of compliance with any time consuming
procedures and formalities, including notices, as may be prescribed by law pertaining thereto.

(r) issue any and all other order or undertake such other functions and activities as
the Town Manager reasonably believes is required under the circumstances to protect the health,
safety, welfare of persons or property within the Town of Breckenridge, or to otherwise preserve
the public peace or abate, clean up, or mitigate the effects of the public health emergency.

The restrictions may be changed from time to time during the time frame of the
declaration based upon the discretion of the Town Manager.

Section 7. Enforcement Of Orders:

(a) The members of the Town’s Police Department, code enforcement, and such other
law enforcement and peace officers as may be authorized by the Town Manager are hereby
authorized and directed to enforce the orders, rules, and regulations made or issued pursuant to
this ordinance. All members of the public shall be deemed to have been given notice of all
orders, rules, and regulations made or issued pursuant to this ordinance upon their dissemination
to the news media or publication on the Town website or other means of publicity.

(b) Until the Mayor declares that the public health emergency has passed, no person
shall:

(1) enter or remain upon the premises of any establishment not open for business to

(2) violate the provisions of this ordinance.

(3) violate any of the orders duly issued by the Town Manager or designee pursuant to
Section 6 of this ordinance.

(4) willfully obstruct, hinder, or delay any duly authorized Town officer, employee or
volunteer in the enforcement or exercise of the provisions of this ordinance, or of the undertaking
of any activity pursuant to this ordinance.
(c) It is unlawful and a misdemeanor offense for any person to violate any provision of this Section 7. Any person convicted of a violation of this section shall be subject to the penalties set forth in section 1-4-1 of the Breckenridge Town Code.

Section 8. Authority To Enter Property: During the period of the public health emergency, a Town employee or authorized agent may enter onto or upon private property if the employee or authorized agent has reasonable grounds to believe that there is a true emergency and an immediate need for assistance for the protection of life or property, and that entering onto the private land will allow the person to take such steps to alleviate or minimize the emergency or disaster or to prevent or minimize danger to lives or property from the declared public health emergency.

Section 9. Town Council Meetings And Departments:

(a) For the duration of the public health emergency, if a Town Council member reasonably determines that his or her personal attendance at a Town Council meeting would not be prudent, such Council member may listen by telephone, video conferencing, or other electronic means to any Council meeting (“Electronic Participation”). Such Council member listening via telephone or other electronic means shall be deemed present for purposes of determining a quorum. The member of Town Council may not participate nor vote in a quasi-judicial public hearing; however, the Council member may maintain the electronic connection and monitor and listen to the hearing. The member of Town Council may participate and vote in legislative matters. Electronic Participation is also available to a Town Council member during an executive session. The Town Council may discontinue the use of Electronic Participation by one or more members during a meeting where the participation results in delays or interference in the meeting process; e.g., where the telephone connection or connection by other electronic means is repeatedly lost, the quality of the connection is unduly noisy or otherwise problematic to the conduct of the meeting, or the listening member is unable to hear speakers using a normal speaking voice amplified to a level suitable for the meeting audience in attendance. Whenever a Town Council member is allowed to participate in a Town Council meeting by telephone or other electronic means pursuant to this Rule, the following additional rules shall be observed:

1. All members of the Town Council must be able to hear one another or otherwise communicate with one another, and be able to hear all discussion and testimony in a manner designed to provide maximum notice and participation;
2. Members of the public present at the meeting location must be able hear all discussion, testimony, and votes;
3. All votes held at the meeting shall be conducted by roll call.
4. To the extent possible, full and timely notice shall be given to the public setting advising that one or more members of the Town Council may participate in the meeting electronically.
5. Participation in a regular Town Council meeting by telephone or other electronic means in accordance with this Rule shall not be considered to be a “failure to attend” a regular Council meeting for determining whether a vacancy in the office of the Mayor or a Council member has occurred under Section 4.8(b) of the Town Charter.
(b) Whenever the public health emergency makes it imprudent or impossible for Town Council, or any Town board, commission, or committee, to meet at a previously scheduled date and time, such meeting shall be deemed to be postponed until a quorum of the Town Council or Town board, commission, or committee is able to meet, not to exceed one (1) week.

c) Any official act or meeting required to be performed at any regular location of the Town Council board, commission, or committee or any Town department is valid when performed at any temporary location under this section.

d) The provisions of this section shall apply to all executive, legislative, and judicial branches, powers and functions conferred upon the Town and its officers, employees, and authorized agents by the Colorado Constitution, Colorado Statutes, the Town Municipal Code, including the Town Charter.

Section 10. Access To Tabor Funds: During the current public health emergency the Town Manager shall have access to the Town’s emergency funds mandated by the Taxpayer’s Bill of Rights (TABOR) as set forth in Article X, Section 20, Subsection (5) of the Colorado Constitution, entitled “Emergency reserves.” Funds utilized pursuant to this ordinance shall be replenished no later than the conclusion of the fiscal year following the end of the current public health emergency.

Section 11. Conflict With Other Laws: If any provision of this ordinance conflicts with the Town Charter, the Town Charter shall control. If any provision of this ordinance conflicts with any provision of the Breckenridge Town Code, or any provision of the Town Council’s Procedures and Rules of Order, this ordinance shall control.

Section 12. Police Power Finding. The Town Council hereby finds, determines and declares that this ordinance is necessary and proper to provide for the safety, preserve the health, promote the prosperity, and improve the order, comfort and convenience of the Town of Breckenridge and the inhabitants thereof.

Section 13. Authority. The Town Council hereby finds, determines and declares that it has the power to adopt this ordinance pursuant to the provisions of Section 31-15-401(1)(b) C.R.S., and the powers possessed by home rule municipalities in Colorado, including, but not limited to, Section 15.7 of the Breckenridge Town Charter entitled “Emergency Powers.”

Section 14. Emergency Declaration. The Town Council of the Town of Breckenridge hereby finds, determines and declares that an emergency exists and that this ordinance is necessary for the immediate preservation of public property, health, welfare, peace or safety for the reasons enumerated in the introductory paragraphs of this ordinance, which are incorporated into this Section 13 by reference. The Town Council further determines that the adoption of this ordinance as an emergency ordinance is in the best interest of the citizens of the Town of Breckenridge.
Section 15. Effective Date. Pursuant to Section 5.11 of the Breckenridge Town Charter, this Ordinance shall take effect and be in full force upon adoption of this ordinance by the affirmative votes of at least five (5) members of the Town Council.
