*“I’m so excited about this opportunity to support my fellow clerks from across the state. After retiring as a municipal clerk in Colorado after 25 years, I take with me a tremendous amount of experience and wisdom that I am always willing to share with my municipal colleagues. If I can help to make your job as a municipal clerk easier, then that’s the greatest thing I can do. Feel free to contact me if I can offer my perspective on a situation or answer a question.”*

The Colorado Municipal League, CIRSA, and Colorado Municipal Clerks Association created the Colorado Municipal Clerk Advisor Program as a *free service* to assist municipal clerks with specific job-related questions or challenges.

We partner with former Aurora Deputy City Clerk Karen Goldman, who is available to offer insight and provide guidance on issues or questions that may arise in your city or town. While not intended to provide interim or long-term work, this arrangement offers clerks a helping hand if they need it. Join Karen and your fellow municipal clerk colleagues for the Election Webinar Series and take advantage of the dedicated listserv just for clerks administered by CML.
