ABOUT CML

STRUCTURE

Colorado Municipal League is a nonprofit, nonpartisan organization established in 1923 and represents the interests of 271 cities and towns. Major policies of CML are established by the membership at the annual business meeting and by the CML Executive Board and various committees. Daily operations of the League are carried out by a 17-member staff. CML has a variety of professional sections and 15 regional districts that give CML depth and breadth in its understanding of municipal needs.

BYLAWS

CML's structure and operations are controlled by a set of bylaws that can only be amended by CML member municipalities at the Annual Business Meeting each year. The bylaws establish how the League is governed and the manner in which Colorado municipalities are considered members of the League. The bylaws also require an annual conference, which is traditionally where the annual business meeting and election of CML board members is held. The bylaws also allow for special conferences.
