

HELLO

I'm Tracie Crites
Town of Frederick, Mayor

I'm a mom of 3 and lover of kindness.

I **LOVE** serving my community and would be honored to serve all Colorado Municipalities as a CML Executive Board Member-Medium Category.

I have served my community as a BOT, Recreation District Board President, URA member, POST commissioner, and community advocate. I am passionate about public service and building a community that is built on what matters-**People**.

I have focused my stewardship on initiatives such as: Economic Development, water resiliency, our inaugural Transportation Master Plan, business attraction/retention and continued quality of life for our citizens.

Colorado is worth serving from the heart. Today and for many years to come, I pledge my support and my thoughtful leadership. I am eager to preserve, share, and enhance "The Colorado Way", together.

BUILT ON WHAT MATTERS
