The Colorado Municipal League has implemented a "company administrator" feature that empowers its associate members to pay for their annual dues renewals, sponsorships and magazine advertising online. While you are always welcome to send a check for these items, you now have the option of paying online using your Visa or MasterCard at your convenience. The company administrator can also update information on their organization's record and roster.

One individual at your organization has been designated the company administrator. Initially, this will be the individual to whom dues renewal notices are sent. Please contact us if you would like to designate someone else as the company administrator.

The rest of this document will walk you through the steps for an online payment.
