what faith - win or lose.”*

**“The institutions of a township are to  
freedom what primary schools are to  
science; they put it within reach of the  
people; they make them taste its peaceful  
employ and habituate them to making use  
of it. Without the institutions of a township  
a nation can give itself a free government,  
but it does not have a spirit of freedom.”**
