CITY OF LITTLETON, COLORADO

ORDINANCE NO. 42

Series, 2020

AN ORDINANCE OF THE CITY OF LITTLETON, COLORADO, AMENDING SECTION 3-9-1-2 AND ADDING SECTION 3-9-1-8 OF THE LITTLETON MUNICIPAL CODE REGARDING ECONOMIC NEXUS AND THE OBLIGATION OF REMOTE SELLERS TO COLLECT AND REMIT SALES TAX

WHEREAS, the City of Littleton, Colorado, (the “City”), is a home rule municipality, organized and existing under Article XX, Section 6 of the Colorado Constitution; and

WHEREAS, pursuant to Article XX, Section 6 of the Colorado Constitution, the right to enact, administer and enforce sales taxes is clearly within the constitutional grant of power to the City and is necessary to raise revenue with which to conduct the affairs and render the services performed by the City; and

WHEREAS, pursuant to such authority, the City has adopted and enacted a Sales Tax Code (the “Code”), under which City sales tax is levied on all sales and purchases of tangible personal property or taxable services at retail unless prohibited, as applicable to the provision of this Ordinance, under the Constitution or laws of the United States; and

WHEREAS, the United States Supreme Court in South Dakota v. Wayfair, 138 S. Ct. 2080 (2018), overturned prior precedent and held that a State is not prohibited by the Commerce Clause from requiring a retailer to collect sales tax based solely on the fact that such retailer does not have a physical presence in the State (“Remote Sales”); and

WHEREAS, based upon such decision, the retailer’s obligation to collect Remote Sales is no longer based on the retailer’s physical presence in the jurisdiction by the Constitution or law of the United States, and the City’s Sales and Use Tax Code needs to be amended to clearly reflect such obligation consistent with said decision; and

WHEREAS, the delivery of tangible personal property, products, or services into the City relies on and burdens local transportation systems, emergency and police services, waste disposal, utilities and other infrastructure and services; and

WHEREAS, the failure to tax remote sales creates incentives for businesses to avoid a physical presence in the State and its respective communities, resulting in fewer jobs and increasing the share of taxes to those consumers who buy from competitors with a physical presence in the State and its municipalities; and

WHEREAS, it is appropriate for Colorado municipalities to adopt uniform definitions within their sales tax codes to encompass marketplace facilitators, marketplace sellers, and multichannel sellers that do not have a physical presence in the City, but that still have a taxable connection with the City; and

WHEREAS, the goal of adopting this ordinance is to join in on the simplification efforts of all the self-collecting home rule municipalities in Colorado; and

WHEREAS, this ordinance provides a safe harbor to those who transact limited sales within the City; and

WHEREAS, absent such amendment, the continued failure of retailers to voluntarily apply and remit sales tax owed on remote sales exposes the municipality to unremit taxes and permits an inequitable exception that prevents market participants from competing on an even playing field; and

WHEREAS, the City adopts this ordinance with the intent to address tax administration, and, in connection with, establish economic nexus for retailers or vendors without physical presence in the State and require the retailer or vendor to collect and remit sales tax for all sales made within the marketplace.
