

**TOWN OF WINTER PARK  
ORDINANCE NO. 540  
SERIES OF 2020**

**AN ORDINANCE AMENDING SECTIONS 3-2-5 AND 3-2-6 OF THE  
WINTER PARK TOWN CODE TO DEFINE ECONOMIC NEXUS AND  
UPDATE METHODS FOR COLLECTION AND REMITTANCE OF SALES  
TAX**

WHEREAS, the Town of Winter Park is a home rule municipality, organized and existing under Article XX, Section 6 of the Colorado Constitution;

WHEREAS, pursuant to Article XX, Section 6 of the Colorado Constitution, the right to enact, administer and enforce sales taxes is clearly within the constitutional grant of power to the Town and is necessary to raise revenue with which to conduct the affairs and render the services performed by the Town;

WHEREAS, pursuant to such authority, the Town has adopted and enacted a Sales Tax Code (the "Code"), under which Town sales tax is levied on all sales and purchases of tangible personal property or taxable services at retail unless prohibited, as applicable to the provision of this Ordinance, under the Constitution or laws of the United States;

WHEREAS, the United States Supreme Court in *South Dakota v. Wayfair*, 138 S.Ct. 2080 (2018), overturned prior precedent and held that a State is not prohibited by the Commerce Clause from requiring a retailer to collect sales tax based solely on the fact that such retailer does not have a physical presence in the State ("Remote Sales");

WHEREAS, based upon such decision, the retailer's obligation to collect tax on Remote Sales is no longer based on the retailer's physical presence in the jurisdiction by the Constitution or law of the United States, and the Code needs to be amended to clearly reflect such obligation consistent with said decision;

WHEREAS, the delivery of tangible personal property, products, or services into the Town relies on and burdens local transportation systems, emergency and police services, waste disposal, utilities and other infrastructure and services;

WHEREAS, the failure to tax Remote Sales creates incentives for businesses to avoid a physical presence in the State and its respective communities, resulting in fewer jobs and increasing the share of taxes to those consumers who buy from competitors with a physical presence in the State and its municipalities;

WHEREAS, it is appropriate for Colorado municipalities to adopt uniform definitions within their sales tax codes to encompass marketplace facilitators, marketplace sellers, and multichannel sellers that do not have a physical presence in the Town, but that still have a taxable connection with the Town;

WHEREAS, the goal of adopting this ordinance is to join in on the simplification efforts of all the self-collecting home rule municipalities in Colorado;

WHEREAS, this ordinance provides a safe harbor to those who transact limited sales within the Town;

WHEREAS, absent this amendment, the continued failure of retailers to voluntarily apply and remit sales tax owed on Remote Sales exposes the Town to unremitted taxes and permits an inequitable exception that prevents market participants from competing on an even playing field;

WHEREAS, the Town adopts this ordinance with the intent to address tax administration, and, in connection with, establish economic nexus for retailers or vendors without physical presence in the State and require the retailer or vendor to collect and remit sales tax for all sales made within the marketplace as permitted in 2018 by the U.S. Supreme Court; and

WHEREAS, the State's adoption of economic nexus for state sales tax and state-collected municipal sales tax did not require voter approval under the Taxpayer's Bill of Rights ("TABOR"), Article X, § 20 of the Colorado Constitution, and, similarly, updating the Town's methods to allow collection and remittance of sales tax to the full extent permitted by law does not require voter approval under TABOR.
